This summer, [ESTATENVY](#) is taking a closer look at a few impressive million-dollar listings on the market. Listed at \$6,900,000 [9011 Mayfair Pointe Dr](#) in Orlando, Florida has secured a spot on our list.

The estate is located on the grounds of the Lake Nona Golf & Country Club, just a short walk away from Northlake Park Community Elementary school. This elegant 12,000 square foot home is nestled within a property line of nearly one acre. It boasts an impressive outdoor living space in addition to the structure itself.

A full summer kitchen and outdoor fireplace are two key features of this space, each housed beneath a lanai to help everyone stay cool while enjoying the atmosphere. For those looking to soak up the sun, there is also an outdoor swimming pool and spa to enjoy.

Indoors, the single-family home includes several grand technology installations. These include an elevator, state-of-the-art security system and surveillance equipment so that homeowners can enjoy peace of mind in their retreat.

The floors of the estate are constructed of a blend of imported walnut & travertine wood to create a rich and luxurious aesthetic. Large windows line the walls, turning each room into a warm and bright living space.

The master bedroom is designed as a private oasis that overlooks the pool area. It attaches to a one-of-a-kind ensuite bathroom, which was custom built to accommodate the homeowners. Marble floors, spacious closets and a jetted tub turn the space into an opulent retreat.

9011 Mayfair Pointe Dr offers a total of six bedrooms, including the master suite. It is home to six full baths and four partial baths.

The estate may be ideal for those who love to cook, as it hosts a massive 16-foot marble island. It also comes equipped with a dishwasher, two drawer drink fridge and microwave.

This is one of several locations perfect for entertaining guests. Other highlights include two full game rooms, a commercial grade bar and an in-home theater. Perhaps the most notable place to entertain on the property is a stunning two-story wine room, custom-built with glass and stainless steel.

Please note that at the time that this article is published, the home discussed above may no longer be available on the market.
